RECEIVED

EDWARD A. RABE, Clerk
U.S. District Court

Your Honor,

Caren and I are defending ourselves in this matter, pro se. As Mr. Philip Berg has submitted a sanction where he states that he will be (future tense) sending you audio clips of the allegations he has made in his newest sanction, we feel that it serves the court well that we present the audio tapes, along with transcripts, so that it is evident that what Mr. Berg alleges, are in fact incorrect.

In short, the audios that we provide will prove that Mr. Berg is making false charges in his newest sanction, in trying to deceive the court. He makes his charges, but does not immediately provide an audio proof of them.

We will provide audio clips to disprove his false statements. These audio CDs and

transcripts of the audio CD's will be sent within the next couple of days.

Respectfully,

Ed Hale
